NAAU Policy
on measures which provide fulfilling of certification\inspection body commitments
arose up as a result of its actions and/or activity

1. With the purpose of providing of synonymous interpretation and realization by certification\inspection body (hereinafter - CB) of requirements of ДСТУ EN 45011-2001 п. 4.2 h), ISO/IEC 17020 п. 5.1.4, ISO/IEC 17021, п. 5.3.1, ISO/IEC 17024, п. 4.4, ISO/IEC 17065, п. 4.3.1 to set up that CB has provide together with a application for accreditation a copy of document guaranteeing possibility of loss compensation in accordance with order established by legislation to physical or legal persons. It is concerned losses caused as a result of its actions and/or activity as a certification body.

Such evidence can be:

- insurance policy;
- state guarantee;
- bank guarantee;
- guarantee of organization which is a legal entity and has financial stability.

In case of insurance Body involving stakeholders (eg, the owner of the scheme, the customer service of the Body) and the insurance company determines the amount of the insurance, which corresponds to the risks associated with its activities.

2. The validity term of the Policy is not limited.

3. Revision – when necessary.

Document is developed by:

Head of the Department for quality and accreditation personnel work,
 Quality manager

V.Krasiuk
