<b>NAAU Policy on witnessing of assessment carried out by CAB within applied accreditation scope</b>			<b>NAAU</b>
Revision 06 dated 07.07.2014	Developed by: Krasiuk V.	Checked by: Chekalin A.	Page 1
			Total number of pages 2

**NAAU Policy**  
**on witnessing of assessment carried out by CAB in conformity within**  
**applied accreditation scope**

1. NAAU performs witnessing of assessment carried out by CAB within declared accreditation scope according to the requirements of ISO/IEC 17011:2004.
2. Results of witnessing are necessary information for decision making about granting and extending CAB accreditation scope.
3. Witnessing is performed during initial accreditation, surveillance, re-accreditation and extending of granted accreditation for the following CABs:
  - a) management system certification bodies;
  - b) person certification bodies;
  - c) bodies of different types carried out inspection (inspection bodies);
  - d) product certification bodies.
4. Duration of the Policy is not limited.
5. Revision of the Policy when necessary.
