**NAAU Policy**  
**on use of the national accreditation mark**

1. With the purpose of identification of the status of accredited CAB any conformity assessment body (hereinafter - CAB), accredited by NAAU, has a right to use the national accreditation mark.

During using of national accreditation mark CAB has to follow the requirements of “Rules of using of national accreditation mark” (the order of Ministry of economy №339 of 21.11.2002, registration of Ministry of justice №924/7212 of 27.11.2002) and instruction of NAAU “Order of using of the national accreditation mark” (IN-15.08.02).

2. In the case of the illegal use of national sign of accreditation NAAU must take proper measures in obedience to an active law and Agreements with OOV.

3. The validity term of the policy is not limited.

4. Revision – when necessary.
